

Welcome to IPOReady

Your Complete Go Public Team, In One Platform

Dear Company Founder,

Congratulations on choosing IPOReady. You just unlocked something founders have been asking for decades: a complete, all-in-one solution to guide your company from private to public without assembling a fragmented team of consultants.

What You Get

No more juggling spreadsheets, emails, and different advisors.

Complete IPO Workflow Management

- Centralized checklist for every listing exchange (TSX, NASDAQ, CSE, OTC, JSE)
- Real-time PACE™ score — see exactly where you stand
- Automatic milestone validation — we catch sequencing mistakes before they cost you time

Built-In Expert Network

- Direct access to vetted IPO advisors, auditors, and legal counsel
- No cold outreach required — we've pre-screened everyone
- Transparent pricing and availability — no surprise invoices

Capital Table Management

- Professional cap table analysis with waterfall projections
- Validate share structures for investor preferences
- Track vesting schedules and equity pools automatically

Document Management & Compliance

- Secure document storage with version control
- Auto-validation of required filings per your exchange
- Audit trail for every change — compliance officers sleep better

Transparent Billing

- Know your costs upfront — no hidden fees
 - Flexible plans (Starter, Growth, Enterprise)
 - Optional 14-day free trial to validate the platform
-

What Makes IPOReady Different

Most founders spend **6–12 months assembling advisors, consolidating spreadsheets, and discovering they're out of sequence.**

IPOReady eliminates that.

-  **One source of truth** — no scattered files or conflicting advice
-  **Predictive guidance** — PACE™ shows you exactly where to focus
-  **Peer benchmarking** — compare your progress to successful IPOs on your exchange
-  **Cost transparency** — know what advisors cost before you hire them
-  **Regulatory confidence** — built-in compliance checks for every major exchange

You can focus on growing your business. We'll handle the IPO readiness.

Your Dedicated Success Team

You're not alone. Our team of IPO veterans is here to help you succeed.
